# DNB

## DNB MARKETS

DNB Markets is a part of DNB, one of the largest financial services groups in the Nordic region, offering a full range of financial products and services including loans, savings, advisory services, insurance and pension products for retail and corporate customers.

DNB Markets is a leading investment bank in the Nordic region with c. 700 employees and offices in ten countries across the world. Our experienced professionals assist our clients with a broad range of Investment Banking products and services, and we would like to welcome you to the opportunity of working alongside us. In Stockholm, we are approximately 40 professionals and are growing at a quick pace.

## INVESTMENT BANKING DIVISION OPPORTUNITIES

We offer 10 weeks full-time internships in the Stockholm team starting in January, March or June 2023. IBD offers the right candidate a unique opportunity to work on M&A transactions, Initial Public Offerings, Private Placements and Debt/Equity transactions, as well as advisory services within green, social and sustainability bonds and loans to clients across sectors and geographies. Working in a challenging and stimulating environment, you will face a steep learning curve while being coached by experienced professionals. Interns will support IBD professionals in Stockholm and serve as core members of deal teams and gain a deep understanding of investment banking.

## WHO WE ARE LOOKING FOR

Are you someone with a strong academic background and high ambitions? Do you want to make a difference and dare to challenge, but know when to take advice? Are you a hardworking individual who realises that success does not come easily? If so, you could be the candidate we are looking for.
